

2017-2018 STEM AMBASSADOR APPLICATION

WANT TO GIVE BACK TO THE COMMUNITY? BECOME A STEM AMBASSADOR!

The STEM Ambassador Program consists of an outstanding group of undergraduate students who are passionate about science, technology, engineering and mathematics (STEM). It is the mission of the STEM Ambassadors to engage young people with STEM outreach activities to inspire them to be the next generation of STEM professionals.

What are some examples of outreach activities?

- Classroom visits or campus tours
- Demonstrations/presentations
- Volunteering at after-school programs or summer camps

Required Credentials, Skills, and Expectations:

- Good academic standing
- Should be a second, third or fourth year students (exceptions can be made for first-years)
- Good communication and organizational skills
- Energetic, reliable and capable of working with children and teenagers
- Must have access to transportation

What are the benefits of being a STEM Ambassador?

- Strengthen your resume
- Volunteer hours
- Training, networking, and career exploration opportunities
- A chance to give back to the community through service-learning activities
- The potential to apply for paid positions (i.e. Teaching Assistantship)

Would I be required to buy a uniform?

- No. We will provide you with an official polo shirt that you must wear during all public engagement activities.

Interested in applying? Please submit the completed application along with a copy of your Fall 2017 schedule to Renee Sackett in MSB 230 by 5pm on Friday, September 8th. Selected candidates must be available for a brief interview.

UNIVERSITY OF CENTRAL FLORIDA

2017-2018 STEM AMBASSADOR APPLICATION
(Print or type information on application)
