PARKING AND TRANSPORTATION SERVICES

PARKING AND TRANSPORTATION SERVICES is responsible for providing and maintaining all parking facilities and transportation services on campus. There are more than 18,000 parking spaces, 10 parking garages and 33 surface lots of various sizes and configurations. Our transportation services include a fleet of 40 shuttle buses serving 21 off-campus student residential communities, Central Florida Research Park and the UCF campus community.

Parking Services also offers other services, including vehicle jump-starts, and temporary and visitor parking permits. Students, faculty and staff may purchase parking permits online at **parking.ucf.edu**.

INFORMATION AND POINTERS:

> **Arrive early:** The most convenient parking spaces fill first.

> **Carpool:** It saves gas and improves parking availability on campus. To find commute partners, visit **zimride.ucf.edu**.

> **LYNX buses:** Ride for free any route anytime with valid UCF ID

> **Park out/walk in:** It may be easier and less time consuming to park in an outer lot and walk in.

> **Parking citations:** May be issued 24/7. Fines may be paid online. Citations must be appealed online at **parking.ucf.edu**.

> **Safe Escort Patrol Service:** (SEPS) provides escorts Sunday through Thursday, 7 p.m.–1 a.m. Call 407-823-2424. If SEPS is not available, please call 407-823-5555 and a police officer will assist you.

> **EV Stations:** There are five locations on campus to charge electric vehicles. Vehicles parked in EV stations must be plugged in for charge mode, charge for no more than four hours and display a valid UCF parking permit or day pass.

> **Dead battery:** Call 407-823-5555 for assistance.

> **Visitors:** Purchase a daily permit before parking in student lots or pay at parking meters. Daily permits may be obtained at the Visitor and Parking Information Center or daily permit dispensers located in all student parking facilities. Please do not park in 24-hour reserved spaces.
