February 23rd is
Introduce a Girl to Engineering Day!
Hosted by Kennedy Space Center

Tune in to see female scientists and engineers from NASA tell you about their careers and research. For more information, contact Bethanne.hull@nasa.gov or check out the Digital Learning Network special events page: http://www.nasa.gov/dln/special-events

To participate in the LIVE Q&A panel for any of our experts, register here: http://bit.ly/2kMI8HA

Watch any expert speak at:
http://www.ustream.tv/channel/nasa-dlinfo.
Tweet questions using #askDLN or DLINfochannel@gmail.com.
